

MEDICAL IDS ARE NOW FULLY COVERED FOR VETERANS

It is VHA policy that veterans with chronic medical conditions are eligible for a personalized medical ID bracelet, pendant or dog tag through the Prosthetics and Sensory Aids Department.

The medical ID is no cost to the veteran and must be placed via an electronic consult to Prosthetics by a VA Clinician or other approved health care provider.

Steps to Place Your Veterans' Orders:

Approve Veteran for Medical ID

Any VA clinician or approved healthcare provider may qualify veteran for a medical ID based on their medical condition(s).

Submit Electronic Consult

Clinician or provider submits the electronic consult to Prosthetics to be completed by a Purchasing Agent.

Prosthetics Places Order

Prosthetics communicates directly with American Medical ID for payment via secure fax line 713.695.7358.

Veterans with the following chronic medical conditions are candidates for a medical ID:

- Diabetes
- Heart Conditions
- Food or Drug Allergies
- Substance Use Disorders
- Dementia
- Embedded Metal Fragments
- Seizure Disorder
- Anticoagulation Therapy
- Pulmonary Diseases
- Rare Diseases
